

## Standard Course for 5 year Old Stallions (Jumping Specific)

- Minimum Indoor arena size should be 20 x 60 meters
- Height and Width: 1.05 m to 1.1 meters
- Fences 1 & 4 - Warm-up jumps before course
- All oxers are generally one hole higher in back (not square). Safety cups are requested at all oxers.
- There shall be NO groundline poles.
- For the Test Rider: Fence #1 is jumped in the opposite direction, and Fence #4 may be raised for the Test Rider.
- Minor changes to the course are permitted with the approval of the Jump Training Leader and the Leading Judge.
- It is up to the Evaluation Commission to decide whether to repeat jumps or to increase the height of jumps age-appropriately.
