

Standard Course for 6 and 7 Year Old Stallions (Jumping Specific)

- Minimum Indoor arena size should be 20 x 60 meters
- Height and Width: 1.15 m to 1.25 meters for 6 Year Olds and 1.20 to 1.30 meters for 7 Year Olds
- Fences 1 & 3 - Warm-up jumps before course
- Liverpool is placed 40 cm in front of fence
- All oxers are generally one hole higher in back (not square). Safety cups are requested for all oxers.
- There shall be NO groundline poles.
- For the Test Rider: Fence #1 is jumped in the opposite direction, and Fence #8 may be raised for the Test Rider.
- Minor changes to the course are permitted with the approval of the Jump Training Leader and the Leading Judge.
- It is up to the Evaluation Commission to decide whether to repeat jumps or to increase the height of jumps age-appropriately.
