Facility Information

- **Stabling-** Permanent box stalls with automatic waterers. Staff will clean/re-bed on shavings daily.
- **Feeding -** Due to each stallion's unique routine, all feedings will be the stallion owner's responsibility.
- **No Turnout -** Turnout will not be available during your visit.
- **Free Jump Chute –** Stallions participating in the licensing may be required to free jump depending on age, discipline, and registry requirements. Free jumping practice will not be available prior to the licensing.
- **Pollyrich Farms' Riding Arena –** Outdoor arena is 150' x 300'. Covered roundpen for lunging.
- **Hilltop Farm's Riding Arena –** Outdoor arena (80' x 200') available for warm-up. Indoor arena (80' x 200') will be used for test. Round pen (60', uncovered) available for lunging when test is not actively underway.

No camping or dogs permitted on grounds

NORTH AMERICAN STALLION SPORT TEST REQUIREMENTS

Stallion Health Paperwork*

- **ALL** Health Paperwork **MUST** be received **10 days prior** to the arrival of the stallion at the testing
- A copy of a Negative Coggins (EIA) test dated within 12 months of the conclusion of the testing is an FN and a NASST requirement for ALL stallion participants
- A current Veterinary Health Certificate
- Proof of Flu/Rhino Vaccination within 180 days (but not within 7 days) of the conclusion of the testing
- An Equine Viral Arteritis (EVA) Test via blood draw is required within 30-days of the start of the testing or, if a stallion is vaccinated for EVA, then proof of the initial negative testing and subsequent annual vaccinations is required. Stallions that are sero-positive and do not have a complete record of initial negative testing and annual vaccinations must have semen tested to prove non-shedder status within 30-days of the start of the testing.
EVA TESTING TAKES APPROXIMATELY TWO WEEKS.

Owner Signature: _____ **Date:** _____

**full health requirements are in the Stallion Sport Test Guidelines*
